

# TEACH GENAI 2025-2026

**AUGUST**

**SEPTEMBER**

**OCTOBER**

**NOVEMBER**

**DECEMBER**

**JANUARY**

**JOIN AS A LISTENER**

## OPENING WEBINAR

26/8 13.00-15.00

An introduction to GenAI in education, featuring short talks on e.g., using chatbots and LLMs in teaching.

We'll explore key considerations for integrating GenAI into learning, and share lessons learned from previous Teach GenAI participants.

## WEBINAR

*CHECK THE WEBSITE*

Thematic webinars exploring key aspects of GenAI in teaching - covering topics like:  
prompting as a practice, aligning learning objectives, feedback ethics, and practical examples.

## CLOSING WEBINAR

28/1 13.00-15.00

Knowledge sharing of experiments and lessons learned by participants from AAU, AU og SDU.

**TEST IN PRACTICE**

## 1. AAU MEETING

24. sep.

Idea generation and brainstorm

## 2. AAU MEETING

22. oct.

Feedback on ideas and help on planning experiment

## 3. AAU MEETING

26. Nov.

Sharing back from experiments and discussing next steps

## INDIVIDUAL CHECK IN

*TO BE DECIDED*

Sparring and feedback on ideas for testing generative AI in teaching
