1ST LOCAL MEETING

27/8 13.00-15.00

This meeting will focus on sharing past experiences and expectations, introducing the facilitator, participants, and resources related to GAI at SDU.

The online meeting will include all SDU participants.

SDU

2ND LOCAL MEETING

10/9 OR 11/9

At this meeting the focus will be to identify, develop and shape a teaching experiment with GAI to carry out for the fall or spring semester.

The online meeting will host SDU participants in small groups. They have the option to select from two dates and four time slots.

INDIVIDUAL SUPPORT AND FEEDBACK

02/10 & 04/10

At these two days it will be possible to book a learning consultant from SDU UP in order to get feedback on the teaching experiment.

3RD LOCAL MEETING

12/11 OR 13/11

In this meeting, participants will share initial experiences from their teaching experiment. They will then refine it further based on feedback from facilitator and peers.

The online meeting will host SDU participants in small groups. They have the option to select from two dates and four time slots.
